

## 12TVTH Terms and Conditions

### Thames Valley Trial Head

#### Terms and Conditions

This event takes place at the end of January, when temperatures can be low and weather conditions severe. All those entering must recognise that the event cannot be guaranteed to take place, and even if started, may be stopped.

The organisers will take all reasonable steps to make the event safe, but may have to cancel. Under these circumstances, there is no guarantee that entry fees will be refunded, either in full or in part.
