

**Thames Valley Trial Head**  
**02/02/2014**  
**Trailer Parking at Dorney Lake**

All Trailers carrying boats for the Thames Valley Trial will initially be parked in the hard standing Car Park where some racking will also be available. When this is full, trailers will be directed to the trailer park beyond the boathouse, and the far side of the return lane. Boats can then be stored on the grass area, the "finish tower side of the boathouse, on trestles, particularly if they are being used in more than one division.  
The gates will open on Sunday morning at 7.00am. And not before, so please don't arrive early and block the public roads

If sufficient demand, the Lake will be open for training on Saturday between 8.00am and 1.00pm.

Arrangements must be made with Dorney Lake (01753 832756) and normal charges will apply.

You must advise Dorney Lake staff if you wish to leave your trailer and boats overnight

Clubs training on Saturday, but not racing on Sunday must remove their trailers by 1.00pm Saturday.

The main gates will be locked at 1.00pm Saturday.

No trailers must be left outside the main gates, since they cause obstruction, and may well suffer vandalism.
