3.7	School 2nd. 8o
3.8	School 3rd. 8o
3.9	J16 8o
3.10	J15 8o

New Event - University/College Freshers Eights

This event will replace the University/College Coxless 4 event (which has not attracted entries over the past few years). It will complement the already comprehensive Open and University/College events offered.

This entry rules for this new event are:

- 1) That all rowers* must have started at the University/College in the Autumn prior to the Regatta
- 2) That at least 6 of the rowers* must not have started rowing earlier than the Autumn prior to the Regatta

**excludes coxes*

The idea in offering this event is to give Beginners rowers, as defined by BUCS Regatta, an additional focus after BUCS Regatta.

Note

If the Regatta feels, with possible consultation with BUCS, that an entry from a University/College is not in the spirit of the event, the Regatta will, after speaking to the University/College, either reject the entry or move it to higher event which it feels is appropriate.
